

Adult Leader Covenant

Thank you for your interest in LIVE Student Ministries at Gulf to Lake Church and your consideration to be an adult leader. Youth events such as camps, retreats, conferences, and other trips could not be possible without people like you. My desire for the youth ministry is to encourage, disciple, and love teenagers. I pray that you have the same desire.

To help uphold my expectations for youth ministry, I have developed a list of characteristics that I expect from those who will be joining the youth as a leader. While this list of expectations is not exhaustive, we ask you to read and understand our expectations.

_____ Adult leaders must have a background check and be approved through our Pastor.

_____ I understand that by being an adult leader for LIVE Student Ministries at Gulf to Lake Church, my behavior in church and outside of church is a direct reflection on myself, this church, and my relationship with the Lord.

_____ I acknowledge that my activity online may be visible to everyone who follows my feed. This means I will be careful of the things I like, the language I use, and the photos I choose to upload.

_____ I understand that everything that I post on social media is like a digital tattoo; even if I were to delete something, it will still be accessible forever.

_____ I will not speak negatively about the staff, leadership, or ministry of GTLC.

_____ I will refrain from pornography, posting inappropriate pictures online, consuming alcohol, immoral relationships, and illegal drugs.

_____ I will attend SNL regularly.
